Owner and Data Controller

Providio d.o.o., Kajakaška cesta 40b, 1211 Ljubljana, Slovenia

Owner contact email: support@providio.si

Types of Data collected

Among the types of data that Providio.si collects, by itself are data provided by Facebook via permissions: manage_pages, read_insights, ads_management and ads_read.

Complete details on each type of data collected are provided in the dedicated sections of this privacy policy or by specific explanation texts displayed prior to the data collection. Owner collects and processes only data which is received from Facebook permissions manage_pages, read_insights, ads_management and ads_read.

1. Mode and place of processing the Data

Methods of processing

The Owner takes appropriate security measures to prevent unauthorized access, disclosure, modification, or unauthorized destruction of the data.

The data processing is carried out using computers and/or IT enabled tools, following organizational procedures and modes strictly related to the purposes indicated. In addition to the Owner, in some cases, the data may be accessible to certain types of persons in charge, involved with the operation of Providio.si like external parties (such as third-party technical service providers, mail carriers, hosting providers, IT companies, communications agencies) appointed, if necessary, as Data Processors by the Owner. The updated list of these parties may be requested from the Owner at any time.

Legal basis of processing

The Owner may process Personal Data relating to Users if one of the following applies:

- Users have given their consent for one or more specific purposes. Note: Under some legislations the Owner may be allowed to process Personal Data until the User objects to such processing ("opt-out"), without having to rely on consent or any other of the following legal bases. This, however, does not apply, whenever the processing of Personal Data is subject to European data protection law;
- provision of Data is necessary for the performance of an agreement with the User and/or for any pre-contractual obligations thereof;

- processing is necessary for compliance with a legal obligation to which the Owner is subject;
- processing is related to a task that is carried out in the public interest or in the exercise of official authority vested in the Owner;
- processing is necessary for the purposes of the legitimate interests pursued by the Owner or by a third party.

In any case, the Owner will gladly help to clarify the specific legal basis that applies to the processing, and in particular whether the provision of Personal Data is a statutory or contractual requirement, or a requirement necessary to enter into a contract.

Place

The Data is processed at the Owner's operating offices and in any other places where the parties involved in the processing are located.

Depending on the User's location, data transfers may involve transferring the User's Data to a country other than their own. To find out more about the place of processing of such transferred Data, Users can check the section containing details about the processing of Personal Data.

If broader protection standards are applicable, Users are also entitled to learn about the legal basis of Data transfers to a country outside the European Union or to any international organization governed by public international law or set up by two or more countries, such as the UN, and about the security measures taken by the Owner to safeguard their Data.

If any such transfer takes place, Users can find out more by checking the relevant sections of this document or inquire with the Owner using the information provided in the contact section.

Retention time

Personal Data shall be processed and stored for as long as required by the purpose they have been collected for.

Therefore:

- Personal Data collected for purposes related to the performance of a contract between the Owner and the User shall be retained until such contract has been fully performed.
- Personal Data collected for the purposes of the Owner's legitimate interests shall be retained as long as needed to fulfill such purposes. Users may find specific information regarding the legitimate interests pursued by the Owner within the relevant sections of this document or by contacting the Owner.

The Owner may be allowed to retain Personal Data for a longer period whenever the User has given consent to such processing, as long as such consent is not withdrawn. Furthermore, the Owner may be obliged to retain Personal Data for a longer period whenever required to do so for the performance of a legal obligation or upon order of an authority.

Once the retention period expires, Personal Data shall be deleted. Therefore, the right to access, the right to erasure, the right to rectification and the right to data portability cannot be enforced after expiration of the retention period.

The purposes of processing

The data is collected to allow the Owner to

- Use as private application for own employees and users which are granted access on Business manager
- Optimize process of pages and ads management
- Comply with its legal obligations,
- Comply with facebook policy

- Respond to enforcement requests
- Protect its rights and interests
- Detect any malicious or fraudulent activity

2. Facebook permissions used by Providio.si

Providio.si may ask for some Facebook permissions allowing it to perform actions with the User's Facebook account and to retrieve information, including Personal Data, from it. This service allows Providio.si to connect with the User's account on the Facebook social network, provided by Facebook Inc. For more information about the following permissions, refer to the [Facebook permissions documentation](#) and to the [Facebook privacy policy](#). The permissions asked are the following:

- **Restrict the processing of their Data.** Users have the right, under certain circumstances, to restrict the processing of their Data. In this case, the Owner will not process their Data for any purpose other than storing it.
- **Have their Personal Data deleted or otherwise removed.** Users have the right, under certain circumstances, to obtain the erasure of their Data from the Owner.
- **Receive their Data and have it transferred to another controller.** Users have the right to receive their Data in a structured, commonly used and machine readable format and, if technically feasible, to have it transmitted to another controller without any hindrance. This provision is applicable provided that the Data is processed by automated means and that the processing is based on the User's consent, on a contract which the User is part of or on pre-contractual obligations thereof.
- **Lodge a complaint.** Users have the right to bring a claim before their competent data protection authority.

Details about the right to object to processing

Where Personal Data is processed for a public interest, in the exercise of an official authority vested in the Owner or for the purposes of the legitimate interests pursued by the Owner, Users may object to such processing by providing a ground related to their particular situation to justify the objection. Users must know that, however, should their Personal Data be processed for direct marketing purposes, they can object to that processing at any time without providing any justification. To learn, whether the Owner is processing Personal Data for direct marketing purposes, Users may refer to the relevant sections of this document.

How to exercise these rights

Any requests to exercise User rights can be directed to the Owner through the contact details provided in this document. These requests can be exercised free of charge and will be addressed by the Owner as early as possible and always within one month.

4. Applicability of broader protection standards

While most provisions of this document concern all Users, some provisions expressly only apply if the processing of Personal Data is subject to broader protection standards.

Such broader protection standards apply when the processing:

- is performed by an Owner based within the EU;
- concerns the Personal Data of Users who are in the EU and is related to the offering of paid or unpaid goods or services, to such Users;
- concerns the Personal Data of Users who are in the EU and allows the Owner to monitor such Users' behavior taking place in the EU.

5. Additional information about Data collection and processing
